Form 990, Part III, Line 4c - Program Service Accomplishments

Perinatal Collaborative Program - The goal of this program is to utilize the knowledge and interest in perinatal health and breastfeeding among Black, Asian Pacific Islander (API), Native and indigenous individuals and perinatal professionals and to create, evaluate and refine human rights and evidence-informed, culturally responsive models of care that meet the needs of our communities and are sustainable. Bringing together individuals from communities of color with doulas, midwives and breastfeeding counselors, will serve two purposes: 1) to educate a cohort of individuals on prenatal and postpartum wellness, immediately increasing access to care for marginalized communities, and 2) to encourage organic relationships between and among individuals and perinatal professionals so that long-term disparities and health challenges can be addressed with innovative solutions by and for our communities.
