

Thank you for your interest in donating baby items and supplies to Open Arms families. To help us serve each family with dignity, we ask for donations to be in a condition you would be proud to give to a baby or family you know and love. To help us maintain this standard, please ensure donated items are **clean, functional, and up to date.**

To arrange a donation drop-off or if you have donation questions, please email: babyboutique@openarmsps.org or call (206)723-6868
